STUDENT LEADERSHIP

2016-2017

The Student Leadership Team at Millbrook Baptist Church is an opportunity for high school students to leverage their God-given gifts and talents in order to impact the world around them for Christ. The Student Leadership Team encompasses four different positions of leadership; while each position of leadership has differing descriptions and expectations, the goal is the same: for student leaders to make disciples of Jesus Christ as they live out their walk with Christ in the mission field where He has placed them.

Because of this unified and important goal, we expect students to meet the following qualifications in order to serve as a member of the Student Leadership Team.

Commitment To Christ: Student Leaders need to have a mature growing relationship with Christ. *This means that:*

- They understand the Gospel of Jesus Christ, have been changed by it, and know how to articulate it.
- They know how to spend time with the Lord in prayer and bible study.
- They actively obey God's commands and are striving to "put off" actions that don't line up with Christ (i.e. foul language, sexual immorality, drinking, cheating, lying).
- They actively obey God's commands by striving to continually "put on" the actions of a believer: compassion, kindness, humility, gentleness, patience, etc.

Commitment To Church: Student Leaders need to understand the importance of church and their role in the church. *This means that:*

- They are an ACTIVE member during Connect Groups on Sundays
- They actively attend one of the Sunday morning worship services at Millbrook Baptist Church.
- They actively attend Student Ministry worship services on a weekly basis.
- They are honest with other believers about why and how they may be struggling in their lives.
- They allow other believers to speak truth (although sometimes difficult) in their lives so that others can encourage them in their walks with God.

Commitment To Missions: Student Leaders need to understand that God has saved them and gifted them for the purpose of sharing His love and truth with the world around them. *This means that:*

- They are actively building relationships and praying for those around them who don't know Jesus.
- They look for opportunities to serve others and meet their needs
- They are ready and willing to share the Gospel when the Holy Spirit prompts them.

STUDENT LEADERSHIP POSITIONS:

Below are the different avenues in which students can serve as leaders. *NOTE: These are brief descriptions.*

While students may specify on the applications where they would like to serve, the Millbrook team will pray through and make this decision based on where we feel God has best gifted them and equipped them for service.

First Impressions: Team members help the Adult Welcome Team during one of the two worship services as well as during the Connect Group hour. This group will also be the set up team and hosts for The Mill on Wednesday nights. This role is best suited for those who have the gift of hospitality, compassion, or mercy.

Worship Team: Team members use their God-given musical gifts to help lead worship on Sunday and Wednesday nights. This role is best suited for those who have the ability to play an instrument or sing.

Production/Creative Arts/Event Team: Team members assist the Student Ministry Staff in dreaming up creative elements for Sunday morning Connect Groups, The Mill on Wednesdays, and other big events (BEACH CAMP). This role is best suited for those who have the ability to think creatively and manipulate audio and visual components.

Teaching Team/Apprentice Team: Team members will assist the Student Pastor in prepping for sermon series with creative illustrations and relevant examples. This area includes getting the chance to teach on Sunday Mornings and/or Wednesday nights at The Mill. This role is best suited for those who have a desire or are considering full-time ministry or a career that includes planning, speaking, and teaching.
